March 2022

Dear Students, Parents and Carers

Re: A level Textiles coursework deadline

We wish to communicate the final deadline for coursework in A level Textiles, although the deadline is slightly earlier than usual years, the removal of Component 2 by the exam board has allowed an extra 3 months for completion of Component 1 coursework this year.

We are running a series of twilight sessions after college between half term and Easter to further support the students in their final weeks, should they wish to attend these extra sessions.

The following deadline will apply to all **Year 13 A level Textiles** students and must be strictly adhered to:

Course	Exam board	Final coursework deadline
A level Textiles	Eduqas	Friday 8th April EM's group 3pm. LD's group Midday.

A separate written component to the coursework will be due on Monday 25th April via Teams assignment, any student who has not met the required standard of coursework by Friday 8th April may be asked to attend during the Easter holidays.

After this deadline date students will not attend further Y13 A level lessons in Textiles. It is expected that students will use this time to revise for their other subjects. Full attendance at all other subject lessons and tutorials will be expected.

For any students who only study three A level Visual Arts subjects (Fine Art, Graphics, Photography, Textiles) this will mean their subject lessons conclude earlier than other students. We will ensure that one teaching space in Visual Arts is kept available for these students to work in independently, should they wish to continue attending college and using the facilities for other reasons such as preparing for their next academic steps.

Yours sincerely

Sarah Wilkinson
Head of Visual Arts,
Pontefract
