

If you have not studied a creative subject before or you are worried you may not achieve a 6 in Art, this task is your opportunity to demonstrate your skill/passion in the Fashion & Textiles and your ability to cope with the A-level course. Please ensure this is to the best of your ability.

Task One HIGHLY RECOMMENDED:

You must follow this link to the 'LINE' Textiles Pinterest board: <https://www.pinterest.co.uk/mrcharlesworth/textiles-l-i-n-e-year-one/>. Create a Pinterest Board named 'LINE' and pin at least **35 images** which inspire you, using ours as a starting point. For now, imagery must be **black and white only**. Imagery must link to Line in some way.

Task Two COMPULSORY:

You will document your summer holiday break through the medium of **line drawing**. You should use **black media only**; pencil, biro, fineliner, charcoal, pastel, watercolour and/ or ink. Techniques: continuous line; layering; thick and thin lines; overlapping media. Keep the drawings loose and abstract- we are not looking for hyperrealism! Draw onto found paper, photographs, collages, music sheets, book pages- anything you have around.

Consider drawing: your home; the people you live with; yourself; friends; your garden; objects that are precious to you; the view from your window; any place you visit; everything in your cupboards; text. **Anything can become a line drawing.**

You will create a minimum of **30 drawings** on paper **no bigger than A6**.

Task Three COMPULSORY:

Make at least one **sketchbook of your drawings**- You may want to split your drawings into a series of smaller sketchbooks- e.g. three books of 10 drawings. Depending on the type of book you would like to make, you may complete this stage before you begin drawing.

Consider: concertina books; stitched together pages; taped together pages; sections which fold out in usual ways; different types of paper (envelopes, newspaper, card). **Examples on Pinterest board and see second sheet of SIL for exemplar.** Neutral colours only.

Checklist:

- Pinterest board LINE with 35 images
- 30 black line drawings documenting your summer break
- Drawings presented in handmade sketchbook/ sketchbooks

We look forward to seeing all of your work, Lisa and Emily.
