Dear Students, parents and carers,

Re: Student car parking and drop-off/Pick-up

I hope you are all well. I'm writing to let you know about site developments and to issue a couple of reminders. After half term we will be embarking on some building work that will run for the rest of this academic year and possibly into the next. As a result, there will be no parking for students on site until further notice and we ask that students, parents and carers please bear with us as we navigate the building works, and take note of the following:

1. There is ample parking provided at The Collieries on Beechnut lane, less than a 10-minute walk from the college. Please note that the residents on Beechnut lane have reported some dangerous driving and inconsiderate parking in the past so please respect our neighbours when accessing the car park both in your vehicle and when walking to and from college.
2. The managers at Aspire Health have asked us to remind you that their car parks can only be used when accessing their facilities.
3. Please do not use the streets on and around Park Lane for drop off and pick up. The Collieries is available until 5pm every day for this purpose.
4. This should go without saying, but please could students be mindful of litter and language outside of college. The vast majority of you are wonderful ambassadors for New College Pontefract and therefore any instances of poor behaviour will be dealt with seriously.

We hope that you will find this link useful if you are unfamiliar with the Collieries, less than 10 minutes to walk from the main site!
