

Our ref: SS/Annual Events/Parents/Carers Evening/Pontefract/2022

07 October 2022

Dear Parent/Carer

We hope that you are well, and that you will be able to take advantage of the following opportunity to visit college. Good communication between college staff and parents/carers is a very important part of a successful post-16 experience for students, and the college is extremely grateful for support from home.

On 1 November 2022 the college will be holding a face-to-face Staff Consultation Evening for certain students, and your young person has been selected. The purpose of the evening is to invite some students and their next of kin to have a substantial appointment with any teacher who feels that they can have significant impact on their progress.

It is extremely important that you attend the evening if at all possible, as each member of staff has a limited number of appointments and therefore has selected your young person with good reason.

To make your appointment(s) please call Student Services on 01977 702139 option 2 between **10 October and 19 October**, then after half term on 31 October. At this point they will let you know which teachers would like to speak to you.

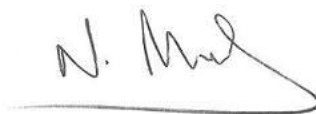

Please note that **you will only be able to make appointments with selected teacher(s) that have requested an appointment with you.**

In January 2023 for Yr13 and February 2023 for Yr12 students, all parents/carers will be invited to make appointments with *all* teachers and Progress Tutors, at our online Staff Consultation Evening, so we look forward to seeing you at both of these events.

Yours sincerely
