

1st February 2023

RE: Supporting your young person with their next steps

Dear Parent / Guardian,

As we approach the end of Year 13 we would like to offer you and your young person further support in planning for their next steps after college.

Our next event, **Futures Day**, is being held on **Tuesday 21st February starting at 9.00am – 2.30pm** on the top floor of the LRC. This event is aimed at students who are still undecided, or need support in planning their futures.

Your young person has received an invite on Teams and we would encourage them to access the link to sign up for the event. Further details are included below.

These are all fun, practical sessions aimed at providing your young person with the skills and opportunities required to help them progress to their next step after college.

Futures Day Event Schedule

Activities include:

- Motivational guest speaker Adam Corbally
- Sign up with Wakefield Employment Hub
- Explore apprenticeship and employment opportunities
- Employability skills
- Create a CV / Mock interviews / Confidence building

All attendees will receive a free lunch and refreshments will be provided throughout the day. Students will also be given permission marks (should they have timetabled lessons) so their attendance will not be impacted.

We are looking forward to working with your young person at the Futures Day event to help them with their next steps after college.

Yours sincerely

Steve Allison
Senior Progress Tutor and Opportunities Champion
