

TEXT ART IN FASHION & TEXTILES

This task is your opportunity to demonstrate your skill/passion in the Fashion & Textiles and your ability to cope with the A-level Fashion & Textiles course. Please ensure this is to the best of your ability.

Task One:

-You must follow this link to the Y12 Textiles Pinterest board.

<https://www.pinterest.co.uk/lisamariedickinson/y12-textiles-sil/>

-Create a Pinterest Board named Y12 Textiles and add a minimum of 35 images inspired by our mood board. We will be focusing on Text based imagery and experimentation, so use this as your starting point.

For now, imagery must be **black and white with pops of a focal colour only**.

Task Two:

You will **create a collection of 10 A6 text based experiments**. You should use **black and neutral media only**; pencil, biro, fineliner, charcoal, pastel, watercolour and/ or ink. Techniques: tea stain, continuous line; layering, thick and thin lines; collage, burning, tearing. Draw onto found paper, photographs, collages, music sheets, book pages- anything you have around. You could find inspiration in poetry, song lyrics, every day conversation, advertising, g, tickets, receipts, & letters.

Each drawing should be high quality and should take you a minimum of 15 minutes. We would like you to manipulate the base layer of your experiment in some way before drawing, writing and collaging onto it. Do not just work onto a plain white piece of paper, try to build up texture through layered drawn elements.

Task Three:

We want you to find the alphabet in every day surroundings and document this through photography. You should have a photograph per letter, resulting in a series of 26 images. We look forward to seeing all of your work!
