

SIL (Summer Independent Learning) Year 12-13 2023

Your Summer Learning is split into two tasks. The first focuses on you considering your own progression in to the games industry and potential job opportunities. The second is a more creative task.

Task One

Using the PowerPoint guide in Teams (<https://ncltad.sharepoint.com/:p:/r/sites/T-Y12TripleGamesDesign/Class%20Materials/Paul%27s%20Work/SIL%20Task%20-%20Career%20Planning.pptx?d=w420d7b1700aa42bf8f53b1ba9eb654f2&csf=1&web=1&e=GeDf14>), construct a CV appropriate for finding work in the games industry. Following the guide, research potential job opportunities and carry out a skills audit to assess what you need to do in order to be successful.

Task Two

The faculty of Creative and Digital Technology at New College Pontefract are considering a rebrand and would like your design ideas for potential new logos for the faculty. Use the PowerPoint guide on Teams (https://ncltad-my.sharepoint.com/:p:/g/personal/paul_barron_nclt_ac_uk/ERg4mJwnUGdBofQyQZDjsXUBVyyvWZcgnE8lxeoD3h50EWg?e=3MhcS4) to guide you through the process.

To be submitted in the first week back next academic year.
