28 June 2023

Dear Parents, carers and students,

As the academic year comes to a close, I wanted to take a moment to congratulate the Year 13 students on their accomplishments and wish them the best in their future endeavours. It has been a pleasure to have them as part of our college community, and I hope they have enjoyed their time here.

To the Year 12 students, congratulations on a successful year so far. I commend those students who have shown resilience and hard work and I encourage them to continue their efforts in the remaining months of study into year 13. There are exciting times ahead, and I believe in their ability to excel.

I am thrilled to share with you that our college has received an outstanding Ofsted report, following the inspection in May. I take immense pride in this achievement, which reflects the dedication and commitment of our staff and students. <u>Here is a link to the report</u>, and I encourage you to read it to gain further insights into our college's excellence.

Please be informed that the last day of term for all students is July 5th. Following this, we encourage students to engage in Summer Independent Learning to maintain their academic growth during the break, and to get the balance right between relaxation and preparation for the year to come. I strongly recommend that his work is not left until the last minute and that it is planned, to allow for a proper break.

For Year 13 students, the new term will commence on Monday 11 September, except for those in some year 12 lessons, which will start on **the afternoon** of Thursday 7 September. Year 12 lessons will be on timetables from Wednesday 6 September and year 13 lessons will be finalised by Sunday 10 September. Be sure to check your timetable to confirm the exact date and time of your first lesson in the new term.

I would like to express my gratitude for your ongoing support and partnership. Together, we can continue to provide an enriching educational experience for our students.

Warm regards

Vicky Marks Principal
