

F.A.O. Parents, Carers, and Students

Revision Evening 2024

We are pleased to be able to offer the opportunity for you to visit the college on the evening of Thursday 22nd February (5.30pm-6.30pm), to find out more about effective revision techniques in preparation for forthcoming exams.

There will be a presentation by senior staff about the science behind how we learn, and the evidence-based strategies we recommend students use. There will also be advice from our Information Learning Technology lead, on the best apps to aid organisation and memory recall. This will be followed by an opportunity for questions and further discussion with the presenters.

If you are unable to attend, a video of the event will be available for you to watch via our website a few days after the event, along with links to useful resources.

The revision evenings we have held in the past have always been well attended; we therefore recommend you use our overflow parking facilities at Pontefract Collieries.

Do let us know whether you intend to come along, so that we can provide sufficient seating: <https://forms.office.com/e/sgWJZDPii2>

Please be aware this event is a repeat of the one that took place in February last year, but even if you attended last year, you are more than welcome to come again for a refresher!

We look forward to seeing you.

Yours sincerely,

Lisa Marwood

Assistant Principal
