Post Results Services

After every results day. All awarding bodies offer a number of different Post-results Services.

If you have a University place pending, you can request a priority review of marking and a priority copy of marked papers.

If you do not have a University place pending, you can request a priority copy of marked papers, a clerical re-check or a review of marking.

There is no grade protection for review of marking. This means that your marks and subject grades may be lowered, confirmed or raised as a result of the review.

Further details of how to apply for any of the Post Results Services, the associated costs and deadlines for requests will be provided to you with your results on 15 August.

If you have any queries please do not hesitate to contact your Exams Officer at college.
