

Summer Independent Learning (SIL)
Year 11 – Year 12
T – Level in Education and Early Years

Subject	T Level in Education & Early Years
Topic	Element 1 & 2– Wider Education Sector & Supporting Education
Timescale	10 hours
To be completed by	This work must be completed and handed in to your subject teacher on the first day of term

Task 1.

Please create a power point presentation on the following job roles. Highlight their roles and responsibilities when working with children and their families.

There are **3** general roles and **4** specialist roles and **3** supporting roles to cover.

Please make it bright and colourful with lots of detailed information.

General roles – Early Years Practitioner, Teaching Assistant, Teacher.

Specialist roles – SENDCO, DSL, PANCO, MHFS (Mental Health First Aider).

Supporting roles – Speech and Language Therapist, Education Psychologist, Social Worker.

Task 2.

Please create a booklet on one of the following theoretical approaches:

- Behaviourism – Pavlov & Skinner
- Cognitive Constructivism – Piaget (schemas and stages)
- Social Constructivism – Bruner's Discovery Learning

*You must explain the **theoretical approach** (e.g. behaviourism) and then the **theorist**.

*State how it links to a child's development.

Please make it colourful and informative (you can add in pictures etc).

Advance Notice:

You will be expected to complete an assessment based on this work soon after you start at New College Bradford.

Please make sure your full name is on each task.

Please do not use any google images of children on your work and please do not use AI – all work will be checked via the college system for plagiarism.
