Summer Independent Learning Activity

This SIL activity will be used after summer as inspiration for your Component 1 investigations

The link below will take you to a Slides version of the following tasks.
(Please note - if clicking the link below on the PDF version does not work, simply copy and paste the link into your browser and that will)

Y13 Summer Independent Learning A link to your SIL will be on the NC Pontefract website. Watch the video and read all of the Slides carefully before undertaking your SIL. They clearly explain what you need to do. Your SIL is preparation for your first Y13 project (60% of A level grade).	Y13 Part 1 Present your SIL in your component 1 Slides presentation, follow the design and presentation aesthetic you have already created DO NOT title your work SIL, instead give each slide a title relevant to the inspirational sources you are analysing You are to create - FOUR pieces of well presented, thorough, sophisticated research of design that you find truly inspirational and are RELEVANT to your Y13 project Include - Name designer +/or studio +/or design Website's (+ other sources) where any information was sourced from
1 Y13 Part 2 Present your SIL in your component 1 Slides presentation, follow the design and presentation aesthetic you have already created DO NOT title your work SIL, instead give each slide a title relevant to the inspirational sources you are analysing You are to create - At least TWO different photoshoots of at least 24 images per shoot that are RELEVANT to your Y13 project and inspired by the work of others, that you could edit and explore after summer.	2 Y13 Inspirational sources You can look for inspiration anywhere, however... Inspiration from Pinterest and Instagram is valid but you might need to search further afield for contextual and conceptual information Remember, Google images often shows images by students inspired by the designer, and not work by the designer!
